Fireworks Evening

Thank you to everyone involved in last Friday's Firework Evening. It was extremely successful, despite the appalling weather when setting up. Everyone agreed that the firework display was particularly good, and we all enjoyed the food and games.

Mobile Library

The mobile library visits the school once a month on a Wednesday afternoon. The children enjoy choosing books, and it is an opportunity for them to experience a library. We are looking for a volunteer to help with the mobile library visit on Wednesday afternoons. Please do get in touch if you would be interested in helping. As part of the school's safeguarding policy, the volunteer would have to undergo CRB clearance, but this would be organised by the school.

Parent Governor

We are pleased to announce that Mark Mitchell has joined the Governing Body as a Parent Governor filling the vacancy created by Jay Patel's resignation. Mark has a daughter in Owlets and is looking forward to becoming more involved with the school.

Instrumental Tuition

There may be opportunities arising for children to receive instrumental tuition on a variety of instruments. If your child has an interest in any instrument (including unusual ones such as trombone!) please fill in and return the attached slip to the school office.

Playground Climbing Frame

The school day ends at 3.20pm. Children whose parents are not waiting for them in the playground are brought back into the school and asked to wait in the school entrance area. We are happy for you and the children to stay and chat / play on the playground at the end of the school day. However, children should not be left unsupervised, particularly when using the climbing frame. During the school day children are not allowed to climb up on to the top bars of the climbing frame. All children should be aware of this rule. We ask for your help in enforcing this rule at other times.
